### EMERGENCY PREPAREDNESS

The Emo Emergency Control Group want to remind all residents of the community that during the  
summer months, severe weather can result in an emergency or disaster situation at any time. To ensure  
our safety and survival, everyone should create an emergency preparedness plan for your family and  
home. Weather events such as tornados, lightning and heavy rainfall can strike with little or no warning  
that could result in injury, property loss, loss of hydro and phone services and localized flooding.  
To learn more about preparing an emergency plan for our homes and families, please visit the Office of  
the Fire Marshal and Emergency Management Ontario website [www.emergencymanagementontario.ca](http://www.emergencymanagementontario.ca)
